NEWS ANNOUNCEMENT

For Immediate Release

Fairfax Imaging and CharacTell Partner: Fairfax to Market FormStorm™ Invoices

Chantilly, VA – April 30, 2010 – Fairfax Imaging Inc. of Tampa, FL, a leading provider of content management, as well as document, form, and check processing solutions, and CharacTell, Ltd., a leading provider of advanced and innovative form recognition products, today announced that Fairfax Imaging will market CharacTell's FormStorm™ Invoices as part of its suite of solutions.

Michael Minter, Vice President of Sales and Marketing at Fairfax Imaging, explains: *“Integrating FormStorm Invoices brings additional functionality to our successful fax, forms and remittance processing solution – Quick Modules. This will further improve our ability to provide solutions that truly cover all the bases when it comes to automated capture and processing of complex documents and forms.”*

Commenting on the partnership agreement, Paz Kahana, CharacTell's President & CEO said: *“it is very exciting for us that a leading company of the caliber and expertise in the field such as Fairfax Imaging, has determined that FormStorm Invoices meets the high standards and strict requirements it established. I am confident that as partners, we can jointly provide practical solutions to our customers that are also economical to own, and profitable to market.”*

FormStorm Invoices

FormStorm Invoices is a fully automated, industrial strength, invoice processing software that is capable of scanning and reading invoices with virtually no setup required. FormStorm Invoices is packaged at prices that make it ideally suited for any invoice volume starting with medium sized companies and scalable up to virtually unlimited volume for large enterprises. Despite its truly 'off-the-shelf' application nature requiring no customization, FormStorm Invoices can process the wide range of invoice and bill types commonly seen in the commercial world.

Fairfax Imaging Company Information
